Thank you for your interest in my posters, pictures and other martial arts material. It is always a great honour and pleasure to be able to travel the world and develop my library so it is of value to many. I believe we all have a valuable contribution to make in the world of judo, whatever level or ability. Often I have been amazed by the phenomenal skill of low grades as well as high, and get a real buzz from capturing a fleeting moment (that would have otherwise been lost for ever) on camera. My judo shop is continually growing. If you would like to be kept up to date you may download the latest catalogue at my web site WorldJudo.org, TopJudo.com Or TheJudoShop.com or email Dave@WorldJudo.org  
If I see you wearing the 'Top T' BADGE on your judogi, don't be surprised if you see a picture or poster of you displayed around the world.
